

# Piles Remedies

**W**hen **hemorrhoids** swell up or are swollen, they are known as **piles**. This is a fairly common problem in people from around the world. While piles remedies include a range of treatments from simple home remedies and prevention care to be able to medicine and surgery. But in most cases when you know it is piles you are suffering from, the very first response is to look for some natural remedies that can make a difference. Since this disorder is actually uncomfortable in order to talk about in social circles, seeking recommendations is not easy. Thus, most people turn to the Internet for tips and recipes. If you too are one of them, read on. Here are some natural home remedies you can use to get adequate relief for piles and its discomfort.

## You Like Eating Fruit, Soak Some Dried Figs in Warm Water

Keep them drenched for at least Eight or ten hours. Have these figs two times a day. Also, drink the water they were drenched in. Another option is to eat a small number of Jamblang (Jambul) with a pinch of salt as soon as you wake up in the morning. The only the issue here is that this fruit is seasonal and can only be found in summers. In case you are fond of apples, for pain relief during motions, try this. Take one ripe banana and mash it first. Then mix it in with a cup of warm milk. Have got this mixture three times in a day, morning afternoon and night.

## Keeping Yourself Hydrated is Very Essential for Avoiding Constipation

You can take this a step further and use these tips to curb your piles problem. Drink radish juice twice a day. Not only will it help with piles but also keep your hemoglobin rely on the good level. You can have anything from one fourth cup to be able to half a cup. For those of you who work and do not find the time to organize concoctions every few hours, this is one for you. Boil a peel of pomegranate in two cups of water. Once boiled for a few minutes, turn the heat off. Let the water great and strain. Drink a sip this water from time to time throughout the day. You can carry it in a jar with you to work. A good option for those looking to reduce the pain caused because of piles is to drink buttermilk with a hint of rock salt, peppercorns and ginger, twice a day. Tasty as well as helpful, these piles remedies needs to be tried.

- Drinking concoctions or eating fruits is not favorable for you, try these natural piles remedies in a spoon.
- Take a spoonful of dry mango seeds' powder.
- Mix it in with a little honey and eat morning and night.
- Another option is to have a spoonful of turmeric powder each day.
